Respected Madam / Sir,

Sub: Seeking permission to visit your esteemed organization- Regarding.

The PSC & KVSC Govt. College, Nandyala is one of the oldest colleges in Nandyala Districts, giving the value-based education and offering various courses under graduation level like B.com (G), B.com (comp), B.A and B.Sc.

As part of our curriculum the students of B. Com CA & G classes would like to visit your esteemed organization, so as to provide with them a real insight working procedure to full fill the curriculum demand. So kindly accord permission to visit your esteemed organization for a team of 13 students in 2 batches accompanied by the faculty members in the forenoon of 12-10-22 and 13-10-22.

Your coordination in this regard will not only help the cause of education but will also strengthen the youth of the nation.

Thanking you madam / sir,

With regards

Respected Sir,

Sub: - Requisition for granting permission to visit Agricultural
Research Centre - B.Com Students on a field trip - regd.

We submit that the department of commerce is planning to take 30-40 B.Com students to visit your esteemed Agricultural Research Centre, Nandyal on 11 Nov, 2014. The objectives of this visit are to: (1) familiarize the students with new and different kinds/types of crops and crop machines; (2) expose the students and to give them ideas on Marketing of seeds; (3) to give them a clear view on the yielding of crops. With this regard, we may request your approval to allow us to visit the above Research Centre.

Thanking You.

Yours Faithfully,

Principal
PSC & KVSC Govt. College

2. Dr Y. Dasthagiri,

Introduction

Department of Mathematics has conducted FIELD VISIT to VIJAYA MILK Dairy, Ailurimetta, Nandyal to the Second year Mathematics Students.

Objectives of Field Trip

Conducting a field trip for students is primarily intended to strengthen experience and contextual learning. By establishing connections to the outside world, field visits can improve classroom instruction. Students experience many cultures, locations, and eras through field trips.

Outcomes of Field Trip

Outside of the four walls of a classroom, a field trip offers practical experience, boosts educational quality, and enhances social interactions. Contextualizing knowledge to provide a deeper understanding is the idea driving this experiential learning.

Brief History of Vijay Dairy & Farm Products (P) Ltd

Vijay Dairy & Farm Products (P) Ltd was **incorporated in the year 1994**.
 Vijay Dairy *has a* committed vision to procure quality milk from the farmers and
 produce milk and milk products through superior technology and process and
 makes it available to customers at competitive price. the owner of Vijaya Dairy is
 Ranga Garu Kondreddy Adala - Chairman - Vijaya dairy Basic Information

Nature of Business	Service Provider
Additional Business	• Manufacturer • Wholesaler • Trader

Program (CIS)	Sound Simulation
Total Number of Participants	501 to 1000 People
Year of Establishment	1994
Legal Status of Firm	Limited Company (Ltd./Pvt.Ltd.)
Annual Turnover	Rs. 100 - 500 Crore

Naray Dairy has been awarded an NSIC-CRISIL Rating

Milk Procurement:

The company procures milk directly from farmers and has a strong vendor relationship with over 1,000 vendors. It procures milk directly and through company owned Bulk Milk Centers. Total milk Procurement base is over 1,00,000 litres per day.

Milk Processing:

The company undertakes pasteurization and homogenization of milk to get double toned milk, toned milk, standardized milk, and full cream milk. In order to ensure cold chain, required refrigeration system is maintained throughout the channel. They are a leading Service Provider of Standardized Milk, Toned Milk, Double Toned Milk and Full Cream Milk from Tiruchirappalli, India

Feedback from Students

Department of mathematics Students gained a Knowledge on Milk Storage, packaging and pasteurization process of heating every particle of milk or milk product in properly designed and operated equipment to any of the one specified pasteurization time-temperature combinations (Food and Drug Administration, 2011), most commonly 72°C for 15s.

Field visit - 15 (Academic year 2017-18)

Date : 6.1.2018

Class : III B.Sc

place : Mahanandi forest area.

No of students attended : 30.

As a part of curriculum the Dept. of Botany has conducted Field Trip for III B.Sc (B2.C) students on to Mahanandi Reserve forest. Mahanandi is one of the important biodiversity rich area with variety of flora and fauna, and also pilgrim centre. This area comes under Gundla Brahmeshwaram wild life sanctuary, covers with abundant vegetation. The students were well exposed to the vegetation and collected plant specimens, medicinal plants and observed plant habitat. This area dominated with -

Terminalia bellirica
Terminalia Arjun
T. alata
Andrographis paniculata

pterocarpus marupium
P. dalbergioides
Acacia sps,
Albizia sps.
Bamboo sps. etc.

And we visited - 'Environmental Education centre' located in the forest complex, and observed various wild life models, audio visual programmes then visited to nurseries, studies nursery techniques, raising of forest species like Terminalia, Bamboo, Holoptelia, pterocarpus santalinum, etc. Red sander seed beds etc.

In the evening all the students were allowed to visit temple - 'Sri Mahanandiswaralayam'.

Field visit - 16.

2018-2019

Date : 8.9.18

Class : III B2C

Place : Kalugola

No. of students attended : 39

As a part of curriculum, one day trip was organized by Dept. of Botany, PSC & Kuvsc Govt. college, Nall. The major objective was to familiarize the students with the flora and ecology of the region. Also to acquaint them with the importance of ecosystems and the threats these ecosystems face due to natural and anthropogenic pressures.

A group of 39 students were accompanied by Dr. M. Ramesh of Dept. of Botany.

As a part of curriculum students collected plants for herbarium preparation with Dr. M. Ramesh. The students visited various crop fields.

The Trip successfully inculcated in students the practicality of different theoretical concepts of Botany.

observing cabbage, cauliflower crop fields.

Date: 14.8.18

Class: III B2C

Place: Local area (Near Kundu river, Ndl. Cheruvu)

No. of Students attended: 32

Lec. Involved: v. J. Sailaja Rani, Dr. M. Ramesh

observing different wood-trees.

A trip was organized for B.Sc. - III yr Botany students to local fields, where students observed different trees & plants growing in their natural habitats which included a mesmerizing view of Angiosperms diversity, exotic varieties, angiosperm medicinal plants.

Students were familiarized with the patterns of bark maturation in wood yielding trees.

The visit helped in inculcating scientific aptitude in the students towards plant sciences.

 20.2.2020

Academic year 2019-2020

Field visit - 18

Date: 20.02.2020

class: III & II B.Sc (B2C)

place visited: Regional Agricultural Research station (RARS) - Nandyal

No. of Students Attended: 65

Name(s) of the Lecturers involved: V.P. Sailaja Rani, Dr. M. Ramesh.

Name(s) of the Resource / Guide persons:

A trip was organized for B.Sc. Botany students to RARS - Regional Agricultural Research station, Nandyal on 20/02/2020.

- objectives:
1. The major objective was to familiarize the students with the crop development (improvement) methods and ecology of the region
 2. To know the concept and aims of RARS
 3. To know the types of farming systems.
 4. To know (acquire) the information regarding the plant breeding methods - procedures, Drip irrigation, pest control methods, artificial hybridisation methods in cross pollinated crops & crop protection.

A group of 65 students were accompanied by V.P. Sailaja Rani, & Dr. M. Ramesh of Dept. of Botany. Students visited various crop fields i.e. cotton, sunflower, pulses, Jowar.

Thereafter students visited RARS information centre, soil testing labs, Bio-technology lab & Meteorological station.

The trip successfully inculcated in the students the practicability of different theoretical concepts of Botany.

The visit helped in inculcating scientific aptitude in the students towards the plant sciences.

RARS- NANDYAL

Students of PSC & KVSC Government Degree College, Nandyal, A.P. are participating in the RARS- Nandyal exhibition. The students are displaying their projects and research work in various categories. The exhibition is held in a large hall with many display boards and posters. The students are very enthusiastic and proud of their work. The exhibition is a great opportunity for the students to showcase their talent and knowledge. The RARS- Nandyal exhibition is a very successful event. The students have participated in many other exhibitions and have won many awards. The RARS- Nandyal exhibition is a very important event for the students. It helps them to develop their skills and knowledge. The RARS- Nandyal exhibition is a very good example of the students' hard work and dedication. Field visit - 19

Date : 07.03.2020 class : III B.Sc (B2C)

place visited : panyam Nurseries.

No. of students Attended : 25

Name(s) of the Lecturers involved : V.P. Sailaja Rani & D.M. Ramesh.

A trip was organized for B.Sc. Botany students to Nurseries at panyam on 07.03.2020

objectives : 1. As a part of certificate course - **Nursery Management & Grafting Techniques**, Dept. of Botany has conducted field visit to panyam Nurseries.

2. To know the practical knowledge of various vegetative propagation techniques.

3. To know the various Grafting methods practically.

4. To know the information regarding various steps involved in the raising and management of Nursery which gives self employment

5. To know the selection of Site, Species, methods adopted in grafting.

The trip successfully inculcated in the students the practicability of various theoretical concepts of vegetative propagation methods such as Grafting, Layering methods & stem cuttings.

Students observed and explored variety of Shrubs, Cactus, Creepers, herbs, palms, Bonsai plants, various ornamental plants

This field trip sensitized the students towards caring

for the environment and the importance of planting more trees.

Field visit - 23

Date: 22.02.2023

Class: III B2c

place of visited: Panyam Nurseries

No. of students attended: 27

Name(s) of Lecturer(s) Involved: V.D. Sailaja Rani, Dr. M. Ramesh,
P.E. Vijayanand.

As a part of curriculum, we the dept. of Botany has decided to visit the Nurseries located at panyam, 13 km away from Nandyal. According we took permission from the Head of the Institution and arranged the programme under the supervision of Incharge of the department and Concerned Lecturers.

Objective: 1. To study the different types of ornamental plants both Indoor and outdoor, Flower yielding, fruit yielding plants and other horticultural plants.

2. To know the Methods and Techniques of Vegetative propagation such as cuttings, Layering & Grafting methods in those plants.

3. Field demonstration

4. Nursery Management & Economics of Nurseries.
Cost & Benefit Ratio.

5. Soil Composition & Nutrients Application

Requirements: 1. Field Notes

2. Flora

3. Material on plant propagation Methods.

Accordingly we have visited Tirumala Nursery and met with E. Lakshminarayana Srinivasulu & workers and they demonstrated

Grafting & Cutting Methods.

observations: As the feed back obtained from the students, we have been exposed to various activities

1. Recorded all the Scientific Names & Local Names of the plants they are raising.
2. Techniques they are following, expensu / expenditure of the workers.
3. Soil, Nutrients used.
4. Cuttings
5. Layering Method
6. Grafting Method
7. Bud Grafting.

Ornamental plants.

1. Duranta
2. Cacti
3. Nyctanthus
4. Begonia
5. Mussenda
6. palm
7. Aeonium
8. Aloe
9. Artemisia
10. Berberis
11. Bougainvillea

Fruit Yielding plants:

1. Mango
2. Sapota
3. Citrus
4. pomegranate
5. psidium
6. Beetle,

FIELD TRIP

TIME: 10AM -1PM

DATE: 29.11.2013

PLACE OF VISIT: SPY AGRO INDUSTRIES (Pvt) Limited

No of students visited: 58

OBJECTIVES: to know about

1. Raw material for the production of alcohol
2. Preparation of alcohol by fermentation
3. Processing methods in manufacture of alcohol
4. Analysis of alcohol
5. Waste water treatment methods

FINDINGS:

1. Grain is the major raw material for alcohol production
2. Fermentation is the method of degradation of larger molecules by bacterial enzymes
3. Alcohol is separated by the percentage
4. Water should be treated completely pollution free before leaving out

CONCLUSION:

Production of alcohol by industry is a very great task .it involves raw material ,segregation ,fermentation ,purification ,grading and waste water treatment .alcohol is an explosive compound therefore it should be handle cautiously. The major factor is the waste water treatment.

ENCLOSURES:

1. Communication Letters
2. Students attendance copy
4. Report by the students
3. Photos

Sir,

The department of chemistry staff 4 Nos along with 55 students of Final year B.Sc of P.S.C & K.V.S.C Govt. Degree College, Nandyal Visited Our Industry on 29-11-2013.

Our technical staff explained about various stages of chemical reactions and analytical methods used in our industry. We hope that this visit may help the students for their knowledge and career.

Thanking you sir,

For SPY AGRO INDUSTRIES LIMITED

Sir,

Sub:-permission for the field visit to **SUJALA PIPES,NANDYAL-Request-reg**

I submit the following for your kind consideration that the Department of chemistry is interested to conduct field visit to **Sujala Pipes** industries, Nandyal on 14.12.2017, Thursday. Nearly 70 members include both staff and students are going to visit. We request you to kindly give the permission.

This is for your kind information.

Thank you sir,

Yours faithfully,

Principal
PSC & KVSC Govt. College

PSC&KVSC GOVT COLLEGE, NANDYAL

Department of chemistry

FIELD TRIP

DATE: 04.02.2015

TIME: 2PM -4PM

PLACE OF VISIT: Regional agricultural research station,nandyal (RARS)

No of students visited: 35

OBJECTIVES:

1. Types of soils
2. Soil sample analysis
3. Essential and non essential elements
4. Chemical fertilizers and its impact crop production
- 5.To bring awareness about the importance of soil.

FINDINGS:

1. Need for the soil testing.
2. Bio- organic manure is safe and healthy.

CONCLUSION:

1. Soil testing is essential, it plays a major role in crop production
2. It is used to improve the fertility of soil
3. Selection of crop as per soil nature.

ENCLOSURES:

1. Communication Letters
2. Students attendance copy
4. Report by the students
3. Photos

Kurnool District.

Sir,

Sub:- Permission for Field visit to RARS - request - Regarding.

I bring to your notice that the Department of Chemistry is offering certificate course in Soil Chemistry for III B.Sc., students.

In this regard we wish to conduct field visit to Regional Agricultural Research Station (RARS), Nandyal on 04.02.2015 along with staff members and students.

Hence I request you please grant us permission for field visit.

Thanking you sir,

Yours faithfully,

(B.NAGARAJU)

Incharge of Chemistry Dept.

Kurnool District

To
The Associate Director of Research,
Regional Agricultural Research Station,
NANDYAL,
Kurnool District.

Madam,

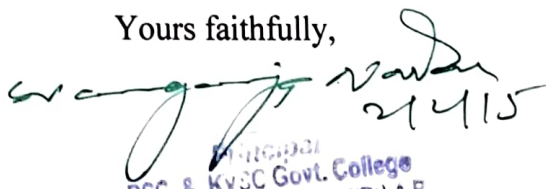

Sub: - Permission for Field visit to RARS, on 04.02.2015 for students
and staff- request – Regarding.

The Department of Chemistry of our college is offering certificate course in Soil Chemistry. Staff along with students wish to visit Regional Agricultural Research Station, on 04.02.2015 which helps the students to acquire practical knowledge and techniques involved in estimation of pH, Conductivity and minerals in analysis of Soil samples.

Please consider the request made by the department of Chemistry for field visit.

Thanking you Madam,

Yours faithfully,

Principal
PSC & KVSC Govt. College
Nandyal-518 502, Kurnool(Dt) A.P.

CERTIFICATE

This is to Certify that the staff and students of Department of Chemistry, PSC & KVSC Govt. College, Nandyal have visited soil Chemistry Laboratory, Regional Agricultural Research Station, Nandyal on 04.02.2015

Dr.Satish Kumar, Scientist Guided Students in collection and Analysis of soil samples involving determination of pH, Electrical conductivity, Estimation of N.P.K elements etc.

The field visit is useful to the students

4/2/15
Associate Director of Research
RARS, NANDYAL-513501.

పురాణ గాథ :

క్షేత్రానికి సంబంధించిన పురాణ గాథ ద్వారా జ్యోతిర్లింగాల అనిర్వచనీయతను చూపించి ఉన్నది. అందరికీ తెలిసినదే సృష్టి ఆరంభంలో సృష్టికర్త బ్రహ్మ దేవుడు స్థితకారుడు & సున్నారాయణుడు సను సోమసోమను గంగా అన్న పినాదానికి ఉదాత్త సంపత్తులను అందజేసి వివాదం తీర్చి స్థాయికి చేరింది.

అప్పుడు వారియిద్దరు మధ్యన దిక్కులు చిక్క పోతూ ఓంకార నాదంలో ఒక భూతా లింగము ఉద్భవించినది. అది ఎవరో అన్న అన్వేషణకు లోనైనా వారికి "మే ఇరువురలో ఎవరైతే నా అది అంతాలో ఒక దానిని ఉపసంహరించుకోవాలి" అన్న ముష్టి ఉన్నదని తెలుసుకున్నారు.

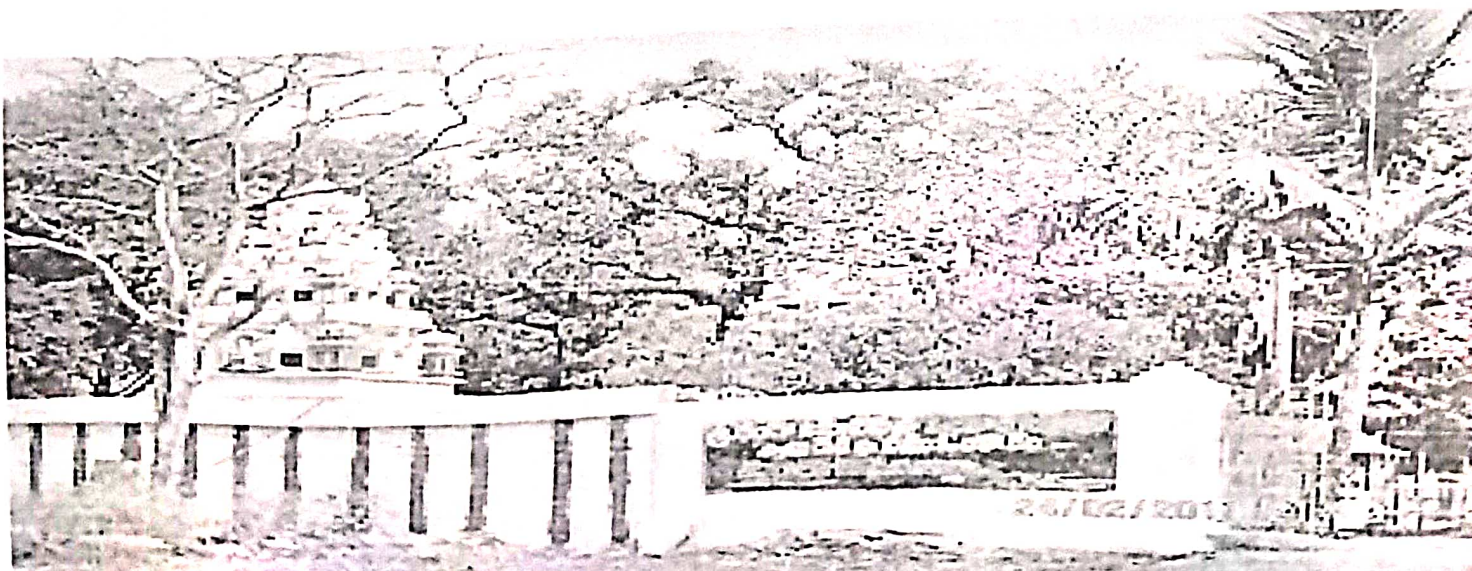

అప్పుడు హిందూ యాజుర్ వేదం ద్వారా విశుద్ధతను నిరూపించుకుంటూ మనో నిష్ఠలను ధృవపరిచి అనంతమై ధరించిన తరువాత మహిమలు విరాజించి లోనికి వెళ్ళారు. ఎంతో దూరం వెళ్ళినా ఇరువురు ఆ లింగ అది అంతాలోను ఉన్నారని గ్రహించారు.

ఈ తత్వం దోషమడన శ్రీ వారి తరిగి వచ్చి ఓంకారాన్ని ఉద్భవించారు.

కాని అపాంభావానికి లోంగిపోయిన విదాత్త మూర్తులను లింగ అంశం దూరంగా వేలిన దానికి సోదా ముగిసి పున్నాను. సోమతన నద్వారు.

అనంతం చెప్పిన చతుర్ముఖుని మీద ఆగ్రహించిన లింగ రాజు అయినకు భూలోకంలో ఎక్కడా ఆలయం ఉండదని ప్రజలు అయినను సూర్యులవారి సంత సాధన ముగిసి పున్నా పూజకు అనర్హమైనదని శపించారు.

ఈ సంఘటన జరిగినది తొలిసారి ఓంకార నాదం ఉద్భవించినది ఇక్కడ కానడం వలన ఈ క్షేత్రానికి 'ఓంకారం' అన్న పేరొచ్చినదని స్థానిక నమ్మకం.

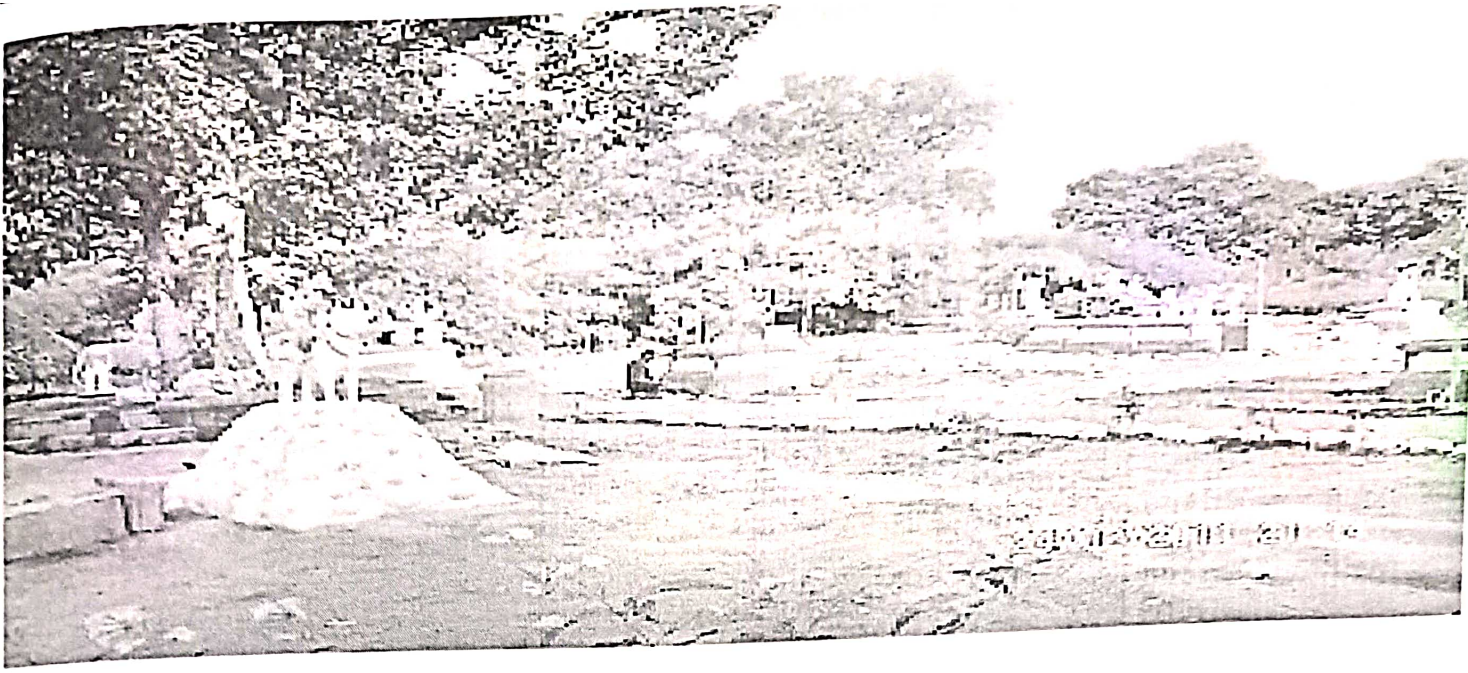

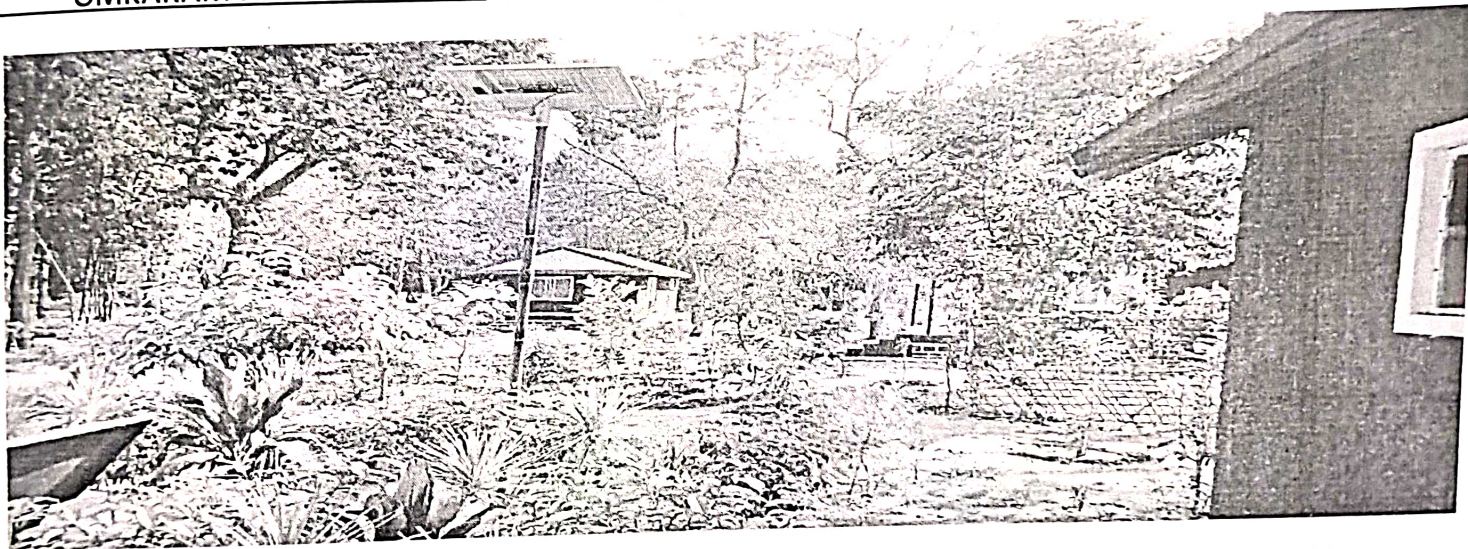

Annual income sources of the temple is mainly on donations and offering of devotees every year for conducting car festival , Nithyannadanam provided by the charity of Sri Kasireddy Nayana Garu

SRISAILAM

Srisailam is one of the popular tourist destinations in Andhra Pradesh and considered one of the most important pilgrimage centers of Lord Shiva.

- Srisailam Dam which was built over Krishna river is one of the largest dams in South India
- Nagarjuna Sagar- Srisalam tiger, reserve is spread over 3500 Km. This Sanctuary is a natural habitat of diverse species of flora and fauna.
- The lush and dense Nallamala Forest range is a popular destination for trekking, hill climbing, forest exploration and reaserch, to which Srisailam town acts as a base camp.

ACKNOWLEDGEMENT

1. The Field-trip / Study tour became successful and enjoyable because of students cooperation so I extend my appreciation to my fellow students who had adhering to the instructions given by the History & Economics Departments.
2. We would like to thank my principal Dr.N.SHasikala who gave us permission to study tour SRISAILAM and made accommodation in reddy satram.
3. History & Economics Departments are grateful to the GDC principal Srisailam, political science lecturer sri. Maheswar Reddy and Balugram of History lecturer of Srisailam who guide us and got permission letter to entry in powerhouse as well as Boarding facility in Reddy Satram.
4. Special thanks to Chief Executive Engineer of Srisailam dam and his personnel to permit the students to visit surface of the Dam and power generation spots.

— M. KRISHNA MURTHY RAJU & B. NAGENDRA
Lecturers of History & Economics Departments

It is believed by locals that long ago when Mallikarjuna swamy was hunting in the forest, a local girl fell in love with the god and was later married to the god in presence of the locals. Ever since Mallikarjuna Swamy who resides in SrisailamKshetram is considered as their son-in-law by the locals and hence called Chenchu Mallanna and chenchu Mallayya.

RESPONSES/FEELINGS ABOUT TOUR FROM STUDENTS

1. It is a great excitement while I am travelling in a boat from Pathala Ganga upper Dam side.
--- U. SHIREESHA. II BA
2. I have enjoyed a lot when I boarded in the cabin of Rope way and saw the view of Srisailam.
___ P. Vishnu vardhan II BA
3. Hydroelectric power generation tunnel House is very informative and knowledgeable to the students.
___ Beaula Rose Line II BA
4. YSR Smrithi Vanam, Ecological Park attracts everyone who visit Srisailam it made me cheerful
___ JEEVAN I BA
5. Site seeing places in Srisailam Exclusively SHIVAJI MAHARAJ Spurthi Centre in ch tells us the life History of Shivaji and his national spirit in the form of portraits to walls.
___ K. PRASAD II BA.
6. Socio,Economic conditions of tribal people called CHENCHUS Tribal Museum rth seeing in Srisailam tour
___ SRUTHI I BA
7. I got spiritual knowledge when I have folded my two hands before Lord arjuna and goddess Bramarambhika Devi and sikhara dharshanam.
___ MURALI NAIK II BA

PSC & KVSC GOVERNMENT DEGREE COLLEGE, NANDYAL

DEPARTMENT OF HISTORY

Programme Summary

All the Arts departments started their journey from PSC & KVSC Govt., Degree college, Nandyal, along with 25 students on 31-10-2023 at 10.00 A.M. by taking vehicles towards Panyam which is 20 KM away from Nandyal where the Lord Panikeswara Swamy Temple located .

We reached the temple at 11.00 a.m. and paid respects to the Lord Panikeswara Swamy and narrated the story behind the temple by Sri.M.Krishnamurthy Raju, Lecturer in History, students listened interestingly .

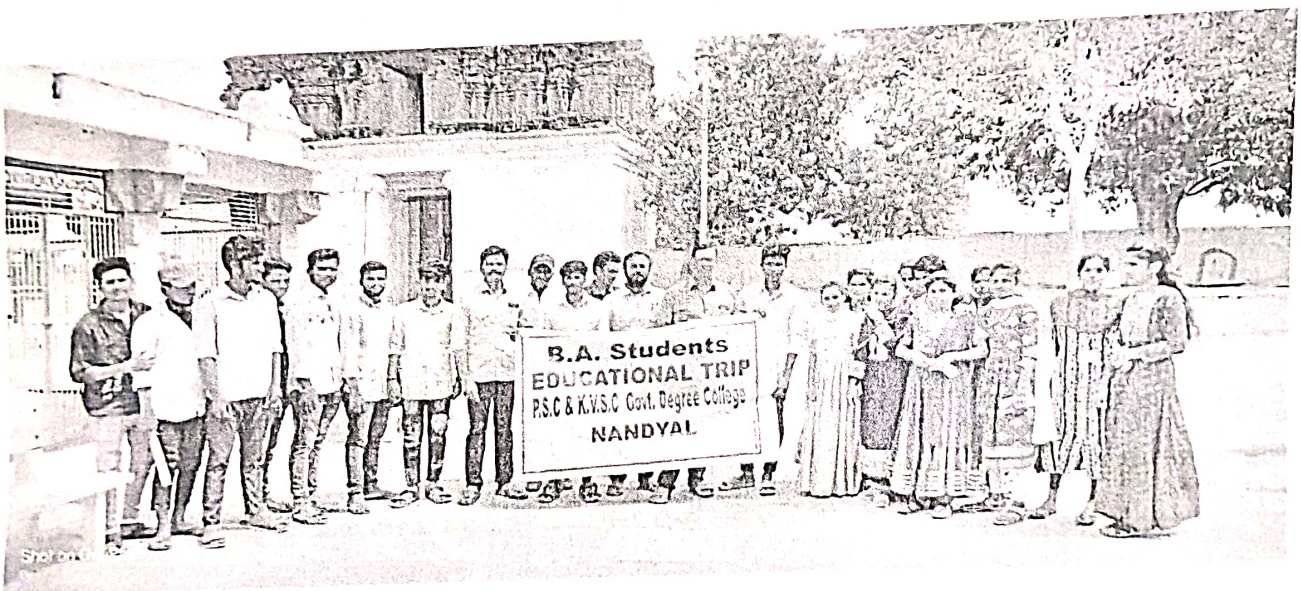

HISTORY OF PANAKESWARA SWAMY TEMPLE

According to local History written on the Archaeological board in 7th Century there was a ruler called Vishnu Vardhan , king of this area had been ruled , the king to expand his kingdom ,wend to conquest for victory and returned after 15 years long . The king had a daughter who was 3 months baby when he was going to conquest . She grown up and became youth when her father returned home , the king Vishnu Vardhan became tired and wanted to take rest in the bedroom after taking meal. At the time his daughter laid on the bed and was sleeping . By mistake the king

touched his hands on the breast of his daughter ,and thought that his queen was sleeping there , in the dark night she shouted loudly that some one defaulter entered room . The king noticed the girl who was . The king realised his mistake and summoned ministers and told what happened . The minister decided death punishment to the king whether knowing or unknowing it was blunder .

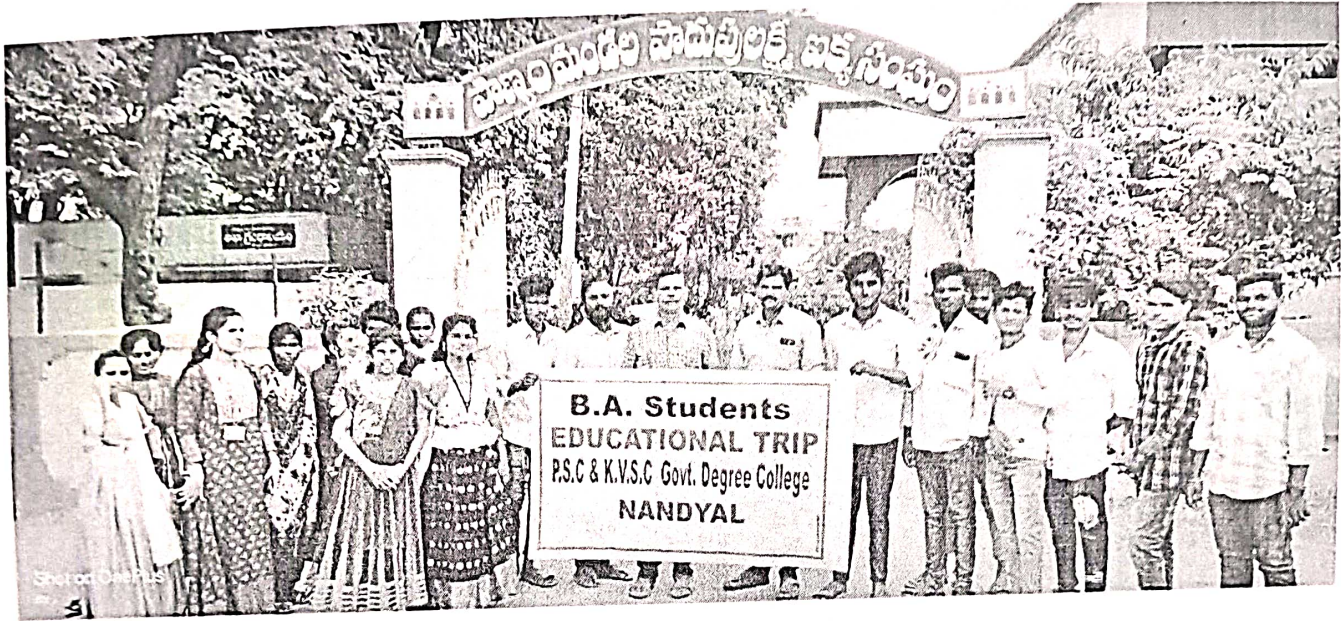

The king was mutilated his hands and exiled to the forests. He couldn't bear the pain and thought that by the snake bite, he wanted to kill himself by putting hands in to ant hill . Instead of biting the snake the king got his hands back . The king was astonished of getting his hands back and went to his kingdom , told what happened in the forest. The people and ministers and priests suggested him to build a temple for sake of gratitude to the Lord . Panikeswara means the Lord who gave panis (Hands) to the king was known as Panikeswara swamy , in this way the village panyam got the name after it.

VISIT OF ADMINISTRATION OFFICES

MANDAL HEAD OFFICE OF SELF HELP GROUPS :-

The students visited to Mandal head office of self help groups in Panyam , met officials who explained the significance role of the Self Help groups and learn the activities of self help groups and their development

Mandal Head office of MGNREGS :-

Students visited Mandal Head office of MGNREGS and Sri Shakthi Bhavan in which students got awareness of getting employment under the scheme of MGNREGS .
