Entrepreneurship Awareness Program (EAP) – Inspiring Future Innovators

Date: 05-03-2026

Venue: PSC & KVSC Government College, Nandyal

Organised by: Department of Commerce

The Department of Commerce of PSC & KVSC Government College, Nandyal successfully conducted an **Entrepreneurship Awareness Program (EAP)** on 5th March 2026. The program witnessed enthusiastic participation from **115 students and 9 faculty members**, reflecting a strong interest in entrepreneurial learning among the academic community.

The event was graced by the esteemed Principal, **Dr. N. Shashikala**, who addressed the students with an inspiring speech on entrepreneurship, highlighting the importance of innovation, self-reliance, and leadership in today's dynamic world. She encouraged students to think beyond conventional career paths and explore opportunities in business and startups.

The program was effectively organized under the guidance of **Smt. K. Vijayalakshmi**, Coordinator of the Department of Commerce, who also addressed the gathering. She emphasized the role of entrepreneurship in economic development and motivated students to develop entrepreneurial skills and mindset.

Objective of the Programme

- To create awareness among students about entrepreneurship as a viable career option.
- To encourage innovative thinking and self-employment opportunities.
- To provide insights into the challenges and opportunities in starting and managing a business.

Outcome of the Programme

- Students gained a better understanding of entrepreneurship and its significance in the modern economy.
- The session inspired many students to consider entrepreneurship as a future career path.
- Participants developed confidence and motivation to explore business ideas and startup initiatives.

International Women's Day Celebration – Empowering Women for a Brighter Future

Date: 09-03-2026

Venue: PSC & KVSC Government College, Nandyal

Organised by: Women Empowerment Cell

PSC & KVSC Government College, Nandyal celebrated **International Women's Day** on 9th March 2026 with great enthusiasm and active participation from **all girl students and women faculty members**. The program was organized by the Women Empowerment Cell to highlight the significance of women's empowerment in today's society.

The event was presided over by the respected Principal, **Dr. N. Shashikala**, who addressed the students on the importance of education, self-confidence, and independence for women. She प्रेरित the participants to strive for excellence in all fields and emphasized the need to break societal barriers through determination and hard work.

The program was coordinated by **Dr. R. Shashikala**, Lecturer in Physics and Coordinator of the Women Empowerment Cell. She delivered an insightful speech focusing on women's rights, gender equality, and the role of young women in shaping a progressive society.

Objective of the Programme

- To create awareness about women's rights and gender equality.
- To empower girl students with confidence and leadership qualities.
- To inspire women to achieve personal and professional growth.

Outcome of the Programme

- Participants gained awareness about the importance of women's empowerment and equality.
- The program boosted confidence and self-esteem among girl students.
- It encouraged students to actively participate in social, educational, and professional development.

Name of the Activity: Educational Trip

Date: 13-03-2026

Educational Trip – Enhancing Learning Beyond the Classroom

Date: 13-03-2026

Venue: PSC & KVSC Government College, Nandyal

Organised by: Departments of Economics & History

An Educational Trip was organized on 13th March 2026 for all BA group students of PSC & KVSC Government College, Nandyal. The trip witnessed active participation from BA students along with faculty members, making it a valuable experiential learning opportunity outside the classroom.

The respected Principal, Dr. N. Shashikala, permitted and encouraged the students to participate in the educational trip, emphasizing the importance of practical exposure and real-world learning experiences.

The program was organized under the guidance of Dr. Nagendra, Lecturer in Economics, Balugram, Lecturer in History, and Smt. Kusuma Devi, Lecturer in Hindi. The faculty members ensured that the trip was both informative and engaging, helping students connect theoretical knowledge with practical observations.

Objective of the Programme

- To provide practical exposure and experiential learning to students.
- To enhance students' understanding of economic and historical concepts through real-life observation.
- To promote interaction, teamwork, and learning beyond classroom boundaries.

Outcome of the Programme

- Students gained practical knowledge and deeper insights into their subjects.
- The trip enhanced students' observational and analytical skills.
- It fostered teamwork, cooperation, and a spirit of exploration among participants.

Name of the Activity: - SEBI INVESTOR AWARENESS TEST at Allagadda , 13-03-2026

SEBI Investor Awareness Test – Promoting Financial Literacy

Date: 13-03-2026

Venue: Allagadda

A **SEBI Investor Awareness Test** was conducted at Allagadda on 13th March 2026 to promote financial literacy among students. The program was attended and organized by **Smt. Vijayalakshmi**, Lecturer in Commerce, who guided the students throughout the activity and emphasized the importance of informed investing.

Objective of the Programme

- To create awareness about investment practices and financial markets.
- To educate students on safe and informed investment decisions.

Outcome of the Programme

- Students gained basic knowledge about investment and financial planning.
- The program enhanced awareness about investor rights and responsibilities.

Name of the Activity: VC on Women in Leadership. Date: -16-03-2026

VC on Women in Leadership – Inspiring Future Women Leaders

Date: 16-03-2026

Venue: Virtual Classroom, PSC & KVSC Government College, Nandyal

Organised by: Commissionerate of Collegiate Education

A Virtual Class on “Women in Leadership” was conducted on 16th March 2026 at PSC & KVSC Government College, Nandyal. The session was organized by the Commissionerate of Collegiate Education and held in the college’s virtual classroom under the guidance of the Principal, Dr. N. Shashikala.

The program witnessed active participation from all girl students and women faculty members, who benefited from the insightful session focusing on the role of women in leadership positions across various fields.

Objective of the Programme

- To create awareness about leadership roles among women.
- To inspire girl students to develop leadership qualities.
- To promote gender equality and confidence among participants.

Outcome of the Programme

- Participants gained knowledge about leadership skills and opportunities for women.
- The session motivated students to take up leadership roles in their careers.
- It enhanced confidence and awareness among women participants.

Name of the Activity: Staff Meeting Date: 23-03-2026

Staff Meeting – Strengthening Academic Planning and Coordination

Date: 23-03-2026

Venue: Virtual Classroom, PSC & KVSC Government College, Nandyal

A **Staff Meeting** was conducted on 23rd March 2026 in the virtual classroom of PSC & KVSC Government College, Nandyal. The meeting was headed and organized by the Principal, **Dr. N. Shashikala**, with the participation of all faculty members.

The session focused on academic planning, institutional development, and effective coordination among departments. The Principal addressed the faculty on key aspects such as maintaining academic standards, improving student performance, and implementing institutional policies efficiently.

Objective of the Programme

- To discuss academic plans and institutional development.
- To enhance coordination among faculty members.
- To review ongoing activities and plan future programs.

Outcome of the Programme

- Faculty members gained clarity on academic goals and responsibilities.
- Improved coordination and teamwork among departments.
- Strategic plans were outlined for the smooth functioning of the institution.

Issuance of FDP Course Completion Certificates in Applications of Artificial Intelligence

Name of the Institution:

PSC & KVSC Government College, Nandyal

Date: 26-03-2026

Overview of the Programme:

PSC & KVSC Government College, Nandyal marked a significant academic milestone with the issuance of FDP (Faculty Development Programme) Course Completion Certificates in *Applications of Artificial Intelligence* on 26th March 2026.

This programme was conducted under the aegis of the Commissionerate of Collegiate Education (CCE), Andhra Pradesh, for all faculty members of Government Degree Colleges (GDCs) across the state.

The initiative aimed at equipping faculty with contemporary knowledge and practical understanding of Artificial Intelligence, reflecting the growing importance of technology in education and research.

Objective of the Programme

- To enhance faculty knowledge in the field of Artificial Intelligence and its applications.
- To promote the integration of AI tools and techniques in teaching and learning processes.
- To provide professional development opportunities for faculty across Government Degree Colleges in Andhra Pradesh.
- To encourage innovation and research-oriented teaching practices.

Outcome of the Programme

- Faculty members successfully acquired foundational and applied knowledge in Artificial Intelligence.
- Participants became better equipped to incorporate AI-based approaches in their academic activities.
- The programme strengthened digital competency among educators.
- It fostered a culture of continuous learning and professional growth among faculty.

Innovative Teaching Session Using Z-Space Technology

Name of the Institution: PSC & KVSC Government College, Nandyal

Date: 26-03-2026

Overview of the Programme

The Science Departments of PSC & KVSC Government College, Nandyal conducted an innovative and interactive class session in the studio room on 26th March 2026 using a Z-Space laptop. This session introduced students to an advanced learning experience through virtual and augmented reality technology, enabling them to visualize complex scientific concepts in a more engaging and practical manner. The use of Z-Space technology made the classroom environment dynamic and highly immersive.

Objective of the Programme

- To integrate advanced technology into classroom teaching.
- To enhance students' understanding of scientific concepts through visualization.
- To promote interactive and experiential learning methods.
- To familiarize students and faculty with modern digital learning tools.

Outcome of the Programme

- Students gained a deeper understanding of complex scientific topics through 3D visualization.
- The session increased student engagement and interest in science subjects.
- Faculty members explored innovative teaching methodologies.
- The programme encouraged the adoption of technology-driven education.
